

Prussiani Engineering, company located in Bergamo (Italy) which exposed its products at **STONE INDUSTRY 2016** in Moscow

DECLARES

to have found an excellent cooperator in Mr. Vladimir Smirnov, who is part of company **Interexpo** of Moscow, concerning the preparation of the stand and for professionalism showed in prompt answers to our questions.

This will follow up to future cooperations.

Yours faithfully:

Mario Giorgio Prussiani
managing director

25/07/2016
